

QUALITY POLICY

LIMITED LIABILITY COMPANY “DROHOBYCH DRILL BITS PRODUCTION COMPLEX “DBF””

By approving this Quality Policy, the top management of LLC “DK “DBF”” undertakes:

- to comply with all the requirements of the Customer;
- to comply with the requirements of the applicable industry, government and international standards which cover the designing and manufacturing of drilling tools for oil and gas extraction;
- to ensure compliance of the existing quality management system with API SpecQ1 requirements, ISO 9001

Our strategic goal is the production of competitive products that fully meet the requirements of API Spec 7-1 and fully satisfy customer expectations.

We strive that our customers are:

1. satisfied with the product quality;
2. satisfied with the price;
3. satisfied with delivery time;
4. interested in constant cooperation with us.

The priorities of our Quality Policy are:

- ❖ compliance with customer requirements and regulations for products;
- ❖ expansion of the range of roller drill bits;
- ❖ production development of PDC bits;
- ❖ continuous improvement of product quality, technology and organization of production;
- ❖ compliance with the requirements, maintenance and continuous improvement of the Quality Management System efficiency;

The Top Management of LLC “DK “DBF”” ensures the implementation of this Policy and provides all the necessary resources for its execution.
